MEMORANDUM FOR DISTRIBUTION

SUBJECT: Single Process Initiative (SPI) Proposals to Eliminate Administrative Contracting Officer (ACO) Notification/Consent to Subcontract Requirements

This memorandum provides the status of regulatory and statutory proposals that will impact SPI proposals to eliminate ACO Notification/Consent to Subcontract Requirements. According to the SPI database, there are 17 SPI proposals requesting changes to these requirements (attachment 1). This is an update to ACO memorandum, August 22, 1997, same subject, which provided the initial status of a legislative proposal and a FAR case related to ACO notification/consent to subcontract requirements.

The legislative proposal seeks to amend 10 U.S.C. 2306(e) to eliminate the subcontract notification requirement for contractors with an approved purchasing system. Originally proposed for inclusion in the 1998 Omnibus Bill, this legislative proposal was deleted from the final version of the bill. It is now being proposed for inclusion during the FY 1999 legislative season. We will keep you informed of its status.

FAR Case 95-011 (Subcontract Consent) proposed considerable reduction of the consent to subcontract requirement. Following agreement by the Defense Acquisition Regulations Council, the Civilian Agency Acquisition Council agreed to a final rule on November 19, 1997. A copy of the final rule, which was published in the June 22, 1998 edition of the Federal Register, is at attachment 2. If you have not already done so, you should process applicable contract modifications regarding subcontract consent.

Thank you for your efforts in submitting these proposals. Since they are not subject to the 120-day goal, they should not be counted as overage. No contract modifications can be executed in response to the SPI proposals regarding notification until those matters are finally resolved. If you have any questions, please contact Don Reiter, SPI Team (DCMDI-RS), at (703) 767-3407 or DSN 427-3407, FAX (703) 767-7305 or DSN 427-7305, or via the internet: donald_reiter@hq.dla.mil.

Item VIII--Software Copyrights (FAR Case 97-614)

This final rule amends FAR 27.405 to add contracts for certain computer software programs to the list of examples of contracts for special works to which the Government may obtain copyrights.

Item IX--Travel Reimbursement (FAR Case 97-007)

The interim rule published as Item IX of FAC 97-03 is converted to a final rule without change. The rule amends FAR 31.205-46 to increase from \$25.00 to \$75.00 the threshold at which contractor personnel must provide a receipt to support travel expenditures.

Item X--No-Cost Value Engineering Change Proposals (FAR Case 96-011)

This interim rule revises FAR 48.104-3 to clarify that no-cost value engineering change proposals (VECPs) may be used when, in the contracting officer's judgment, reliance on other VECP approaches likely would not be more cost-effective, and the no-cost settlement would provide adequate consideration to the Government.

Item XI--Technical Amendments

Amendments are being made at FAR 5.201(b)(2), 8.404(a), 31.002, and 45.607-2(b) to update references and make editorial changes.

Federal Acquisition Regulation; Subcontract Consent

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).
ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to reduce requirements for consent to subcontract. The rule eliminates the consent requirements for contractors that have an approved purchasing system, except when specific subcontracts requiring consent are identified by the contracting officer; eliminates consent requirements for fixed-price incentive contracts and fixed-price redeterminable contracts; and increases, to the simplified acquisition threshold, the dollar level at which consent requirements are included in time-and-materials, labor-hour, and letter contracts. This regulatory action was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993, and is not a major rule under 5 U.S.C. 804.
EFFECTIVE DATE: August 21, 1998.

SUPPLEMENTARY INFORMATION:
A. Background

A proposed rule was published in the **Federal Register** on April 2 1, 1997 (62 FR 19465). Comments were received from nine respondents. All comments were considered in the development of this final rule.

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the consent to subcontract requirement has a very small administrative cost that is passed along to the Government as part of the contract price, and this rule reduces the requirement for consent to subcontract.

C. Paperwork Reduction Act

The Paperwork Reduction Act (44 U.S.C. 3501, *et seq.*) is deemed to apply because the final rule contains information collection requirements. Accordingly, a request for approval of the information collection requirements was submitted to the Office of Management and Budget (OMB) and approved through June 30, 2000, under OMB Control Number 9000-0149. Public comments concerning this request were invited through **Federal Register** notice 62 FR 19465, April 21, 1997, and no comments were received.

Attachment 2

PART 4-ADMINISTRATIVE MATTERS

4.705-3 [Amended]

2. Section 4.705-3 is amended in paragraph (f) by revising the parenthetical to read “(see 52.244-2)“.

PART 22—APPLICATION OF LABOR LAWS TO GOVERNMENT ACQUISITIONS

22.810 [Amended]

3. Section 22.810 is amended in paragraph (g) by removing the phrase “paragraph (a), (b), or (c) of 44.204” and adding in its place “44.204(a)”.

PART 35—RESEARCH AND DEVELOPMENT CONTRACTING

4. Section 35.009 is amended by revising the last sentence to read as follows:

35.009 Subcontracting research and development effort.

* * * The clause at 52.244-2, Subcontracts, prescribed for certain types of contracts at 44.204(a), requires the contracting officer’s prior approval for the placement of certain subcontracts.

PART 36-CONSTRUCTION AND ARCHITECT-ENGINEER CONTRACTS

5. Section 36.606 is amended by revising paragraph (e) to read as follows:

36.606 Negotiations.

* * * * *

(e) Because selection of firms is based upon qualifications, the extent of any subcontracting is an important negotiation topic. The clause prescribed at 44.204(b), Subcontractors and Outside Associates and Consultants (Architect-Engineer Services) (see 52.244-4), limits a firm’s subcontracting to firms agreed upon during negotiations.

* * * * *

PART 44-SUBCONTRACTING POLICIES AND PROCEDURES

6. Section 44.000 is revised to read as follows:

44.000 Scope of part.

(a) This part prescribes policies and procedures for consent to subcontracts or advance notification of subcontracts, and for review, evaluation, and approval of contractors’ purchasing systems.

(b) The consent and advance notification requirements of subpart 44.2 are not applicable to prime contracts for commercial items acquired pursuant to part 12.

44.102 [Removed]

7. Section 44.102 is removed.

44.201 Consent and advance notification requirements.

8. The heading of section 44.201 is revised to read as set forth above.

9. Sections 44.201-1 and 44.201-2 are revised to read as follows:

44.201-t’ Consent requirements.

(a) If the contractor has an approved purchasing system, consent is required for subcontracts specifically identified by the contracting officer in the subcontracts clause of the contract. The contracting officer may require consent to subcontract if the contracting officer has determined that an individual consent action is required to protect the Government adequately because of the subcontract type, complexity, or value, or because the subcontract needs special surveillance. These can be subcontracts for critical systems, subsystems, components, or services. Subcontracts may be identified by subcontract number or by class of items (e.g., subcontracts for engines on a prime contract for airframes).

(b) If the contractor does not have an approved purchasing system, consent to subcontract is required for cost-reimbursement, time-and-materials, labor-hour, or letter contracts, and also for unpriced actions (including unpriced modifications and unpriced delivery orders) under fixed-price contracts that exceed the simplified acquisition threshold, for—

(1) Cost-reimbursement, time-and-materials, or labor-hour subcontracts; and

(2) Fixed-price subcontracts that exceed—

(i) For the Department of Defense, the Coast Guard, and the National Aeronautics and Space Administration, the greater of the simplified acquisition threshold or 5 percent of the total estimated cost of the contract; or

(ii) For civilian agencies other than the Coast Guard and the National Aeronautics and Space Administration, either the simplified acquisition threshold or 5 percent of the total estimated cost of the contract.

(c) Consent may be required for subcontracts under prime contracts for architect-engineer services.

(d) The contracting officer’s written authorization for the contractor to purchase from Government sources (see part 5 1) constitutes consent.

44.201-2 Advance notification requirements.

Under cost-reimbursement contracts, even if the contractor has an approved

purchasing system and consent to subcontract is not required under 44.201-1, the contractor is required by statute (10 U.S.C. 2306(e) or 41 U.S.C. 254(b)) to notify the agency before the award of—

(a) Any cost-plus-fixed-fee subcontract; or

(b) Any fixed-price subcontract that exceeds—

(1) For the Department of Defense, the Coast Guard, and the National Aeronautics and Space Administration, the greater of the simplified acquisition threshold or 5 percent of the total estimated cost of the contract; or

(2) For civilian agencies other than the Coast Guard and the National Aeronautics and Space Administration, either the simplified acquisition threshold or 5 percent of the total estimated cost of the contract.

44.2013 and 44.201-4 [Removed]

10. Sections 44.201-3 and 44.201-4 are removed.

11. Section 44.202-1 is amended by revising paragraphs (b) and (c) to read as follows:

44.202-1 Responsibilities.

* * * * *

(b) The contracting officer responsible for consent shall review the contractor’s notification and supporting data to ensure that the proposed subcontract is appropriate for the risks involved and consistent with current policy and sound business judgment.

(c) Designation of specific subcontractors during contract negotiations does not in itself satisfy the requirements for advance notification or consent pursuant to the clause at 52.244-2. However, if, in the opinion of the contracting officer, the advance notification or consent requirements were satisfied for certain subcontracts evaluated during negotiations, the contracting officer shall identify those subcontracts in paragraph (k) of the clause at 52.244-2.

44.202-2 [Amended]

12. Section 44.202-2 is amended in the introductory text of paragraph (a) by adding “, at a minimum,” after the word “shall”.

13. Section 44.204 is revised to read as follows:

44.204 Contract clauses.

(a) (1) The contracting officer shall insert the clause at 52.244-2, Subcontracts, in solicitations and contracts when contemplating—

(i) A cost-reimbursement contract;

(ii) A letter contract that exceeds the simplified acquisition threshold;

(iii) A fixed-price contract that exceeds the simplified acquisition threshold under which unpriced contract actions (including unpriced modifications or unpriced delivery orders) are anticipated;

(iv) A time-and-materials contract that exceeds the simplified acquisition threshold; or

(v) A labor-hour contract that exceeds the simplified acquisition threshold.

(2) If a cost-reimbursement contract is contemplated—

(i) For the Department of Defense, the Coast Guard, and the National Aeronautics and Space Administration, the contracting officer shall use the clause with its Alternate I; or

(ii) For civilian agencies other than the Coast Guard and the National Aeronautics and Space Administration, the contracting officer shall use the clause with its Alternate II.

(3) Use of this clause is not required in —

(i) Fixed-price architect-engineer contracts; or

(ii) Contracts for mortuary services, refuse services, or shipment and storage of personal property, when an agency-prescribed clause on approval of subcontractors' facilities is required.

(b) The contracting officer may insert the clause at 52.244-4, Subcontractors and Outside Associates and Consultants (Architect-Engineer Services), in fixed-price architect-engineer contracts.

(c) The contracting officer shall, when contracting by negotiation, insert the clause at 52.244-5, Competition in Subcontracting, in solicitations and contracts when the contract amount is expected to exceed the simplified acquisition threshold, unless—

(1) A firm-fixed-price contract, awarded on the basis of adequate price competition or whose prices are set by law or regulation, is contemplated; or

(2) A time-and-materials, labor-hour, or architect-engineer contract is contemplated.

PART 52-SOLICITATION PROVISIONS AND CONTRACT CLAUSES

52.244-1 [Removed and Reserved]

14. Section 52.244-1 is removed and reserved.

15. Section 52.244-2 is revised to read as follows:

52.244-2 Subcontracts.

As prescribed in 44.204 (a) (1), insert the following clause:

SUBCONTRACTS (AUG 1998)

(a) **Definitions.** As used in this clause—

Approved purchasing system means a Contractor's purchasing system that has been reviewed and approved in accordance with

Part 44 of the Federal Acquisition Regulation (FAR).

Consent to subcontract means the Contracting Officer's written consent for the Contractor to enter into a particular subcontract.

Subcontract means any contract, as defined in FAR Subpart 2.1, entered into by a subcontractor to furnish supplies or services for performance of the prime contract or a subcontract. It includes, but is not limited to, purchase orders, and changes and modifications to purchase orders.

(b) This clause does not apply to subcontracts for special test equipment when the contract contains the clause at FAR 52.245-18, Special Test Equipment.

(c) When this clause is included in a fixed-price type contract, consent to subcontract is required only on unpriced contract actions (including unpriced modifications or unpriced delivery orders), and only if required in accordance with paragraph (d) or (e) of this clause.

(d) If the Contractor does not have an approved purchasing system, consent to subcontract is required for any subcontract that—

(1) Is of the cost-reimbursement, time-and-materials, or labor-hour type; or

(2) Is fixed-price and exceeds—

(i) For a contract awarded by the Department of Defense, the Coast Guard, or the National Aeronautics and Space Administration, the greater of the simplified acquisition threshold or 5 percent of the total estimated cost of the contract; or

(ii) For a contract awarded by a civilian agency other than the Coast Guard and the National Aeronautics and Space Administration, either the simplified acquisition threshold or 5 percent of the total estimated cost of the contract.

(e) If the Contractor has an approved purchasing system, the Contractor nevertheless shall obtain the Contracting Officer's written consent before placing the following subcontracts:

(f) (1) The Contractor shall notify the Contracting Officer reasonably in advance of placing any subcontract or modification thereof for which consent is required under paragraph (c), (d), or (e) of this clause, including the following information:

(i) A description of the supplies or services to be subcontracted.

(ii) Identification of the type of subcontract to be used.

(iii) Identification of the proposed subcontractor.

(iv) The proposed subcontract price.

(v) The subcontractor's current, complete, and accurate cost or pricing data and Certificate of Current Cost or Pricing Data, if required by other contract provisions.

(vi) The subcontractor's Disclosure Statement or Certificate relating to Cost Accounting Standards when such data are required by other provisions of this contract.

(vii) A negotiation memorandum reflecting—

(A) The principal elements of the subcontract price negotiations;

(B) The most significant considerations controlling establishment of initial or revised prices;

(C) The reason cost or pricing data were or were not required;

(D) The extent, if any, to which the Contractor did not rely on the subcontractor's cost or pricing data in determining the price objective and in negotiating the final price;

(E) The extent to which it was recognized in the negotiation that the subcontractor's cost or pricing data were not accurate, complete, or current; the action taken by the Contractor and the subcontractor; and the effect of any such defective data on the total price negotiated;

(F) The reasons for any significant difference between the Contractor's price objective and the price negotiated; and

(G) A complete explanation of the incentive fee or profit plan when incentives are used. The explanation shall identify each critical performance element, management decisions used to quantify each incentive element, reasons for the incentives, and a summary of all trade-off possibilities considered.

(2) The Contractor is not required to notify the Contracting Officer in advance of entering into any subcontract for which consent is not required under paragraph (c), (d), or (e) of this clause.

(g) Unless the consent or approval specifically provides otherwise, neither consent by the Contracting Officer to any subcontract nor approval of the Contractor's purchasing system shall constitute a determination—

(1) Of the acceptability of any subcontract terms or conditions;

(2) Of the allowability of any cost under this contract; or

(3) To relieve the Contractor of any responsibility for performing this contract.

(h) No subcontract or modification thereof placed under this contract shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement type subcontracts shall not exceed the fee limitations in FAR 15.404-4(c)(4)(i).

(i) The Contractor shall give the Contracting Officer immediate written notice of any action or suit filed and prompt notice of any claim made against the Contractor by any subcontractor or vendor that, in the opinion of the Contractor, may result in litigation related in any way to this contract, with respect to which the Contractor may be entitled to reimbursement from the Government.

(j) The Government reserves the right to review the Contractor's purchasing system as set forth in FAR Subpart 44.3.

(k) Paragraphs (d) and (f) of this clause do not apply to the following subcontracts, which were evaluated during negotiations:

(End of clause)

Alternate I (Aug 1998). As prescribed in 44.204 (a) (2) (i), substitute the following paragraph (f) (2) for paragraph (f) (2) of the basic clause:

(f) (2) If the Contractor has an approved purchasing system and consent is not required under paragraph (c), (d), or (e) of this clause, the Contractor nevertheless shall notify the Contracting Officer reasonably in advance of entering into any (i) cost-plus-fixed-fee subcontract, or (ii) fixed-price subcontract that exceeds the greater of the simplified acquisition threshold or 5 percent of the total estimated cost of this contract. The notification shall include the information required by paragraphs (f) (1) (i) through (f) (1) (iv) of this clause.

Alternate II (Aug 1998). As prescribed in 44.204(a)(2)(ii), substitute the following paragraph (f) (2) for paragraph (f) (2) of the basic clause:

(f) (2) If the Contractor has an approved purchasing system and consent is not required under paragraph (c), (d), or (e) of this clause, the Contractor nevertheless shall notify the Contracting Officer reasonably in advance of entering into any (i) cost-plus-fixed-fee subcontract, or (ii) fixed-price subcontract that exceeds either the simplified acquisition threshold or 5 percent of the total estimated cost of this contract. The notification shall include the information required by paragraphs (f) (1) (i) through (f) (1) (iv) of this clause.

52.244-3 [Removed and reserved]

16. Section 52.244-3 is removed and reserved.

17. Section 52.244-4 is amended by revising the section heading, introductory paragraph, and clause heading and date to read as follows:

52.244-4 Subcontractors and outside associates and consultants (Architect-engineer services).

As prescribed in 44.204(b), insert the following clause:

SUBCONTRACTORS AND OUTSIDE ASSOCIATES AND CONSULTANTS (ARCHITECT-ENGINEER SERVICES) (AUG 1998)

(End of clause)

52.244-5 [Amended]

18. Section 52.244-5 is amended in the introductory paragraph by revising "44.204(e)" to read "44.204(c)".

This regulatory action was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993, and is not a major rule under 5 USC. 804.

EFFECTIVE DATE: August 2 1, 1998.

FOR FURTHER INFORMATION CONTACT: The FAR Secretariat, Room 4035, GS Building, Washington, DC 20405, (202) 501-4755, for information pertaining to status or publication schedules. New organization names, addresses, and telephone numbers, and a new method of obtaining information on the World Wide Web have been added. In addition, the rule clarifies the pricing policy regarding specifications, standards, and commercial item descriptions issued by GSA.

B. Regulatory Flexibility Act

The final rule does not constitute a significant FAR revision within the meaning of FAR 1.501 and Pub. L. 98-
